Thank you Elin for your quick response! Much faster than my response time. I'll schedule a time for you and I to discuss, about 30 minutes so that I can learn more about progress to date and partners/stakeholders involved. Then, will determine next steps from there. RPIS can take the coordination role, just want to learn more about where you are and your feedback on next steps.

Monica

Monica,

I can't remember if I've forwarded any information about this to you before or not. If you need more background info, let me know.
